

## Tornado In a Jar

### **You'll need:**

Jar

2 tsp washing up liquid

2 tsp Vinegar

A Few Drops of Food Colouring

Water

### **What to do:**

Fill the jar almost full with water.

Add the dish soap, vinegar and food colour.

Seal with a tight fitting lid and swirl gently until combined.

Next, "swirl" the jar around by the neck using a circular motion.

Watch a "Tornado" appear! Check out that vortex!
