

Camping Acrostic Poem

Spell out the word 'Camping' and use your senses to fill in the blanks to make your very own camping poem.

Camping is fun if you go with _____ and _____, and take _____ and _____.

All around you there are sounds of the great outdoors. I can hear a _____, _____, and a _____.
(*Make the sounds. Or close your eyes now and silently listen to all the sounds you can hear around you*)

Mind out where you're walking in the dark to go to the toilet, you don't want to bump into _____. (*Act out avoiding it*)

Peeling back your sleeping bag and stepping with bare feet onto the ground it feels _____.

Imagine all the _____ and _____ you'll see at the campsite today or tonight. (*Come up with actions for them*)

Nature makes me feel _____. (*Imagine you are in your favourite place outside, how does it make you feel?*)

Gathering around the campfire I can smell _____ and _____.

Now you can create a drawing featuring all of the things you've seen, heard, touched, smelled, felt, and imagined!
