

Welcome to the Purple Patch Arts Activity Report for 2021 to 2022.

This report celebrates everything we got up to at Purple Patch during our 2021 to 2022 year and tells you more about what we do.

The report mentions what our Vision, Mission, and Values are.

The report mentions our work in our Lifelong Learning Programmes and the topics we explored.

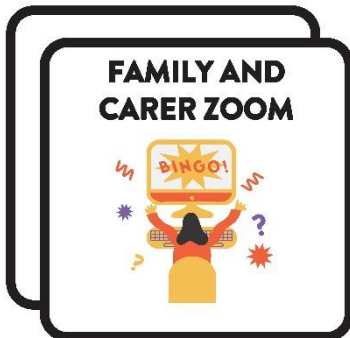

The report also mentions our work in our funded projects. This includes:

Move On Up, which works with college learners moving into adult services.

To Wander Is To Adventure, our mindful walking project.

Our British Science Week, Let's Get Digital, Family and Carer Zooms, Zoom disco, and Wellbeing App Projects.

The report talks about where the money to run Purple Patch Arts came from.

The report details what people said in our evaluation activities.

The report explains the work of our Purple Research Group.

The report thanks our staff, consultants and Board members, and details ways that people can support our work.

The report closes by remembering with fondness our purple friends who sadly passed away.
